THE JOURNEY

15TH -18TH OF AUGUST 2024

The Retreat kicked off on the 15th of August by 12:00pm.
It was indeed a wonderful experience for all the Children, Teachers and Parents who were in attendance. It involved impactful teachings, activities and trainings.
The first day of the Retreat kicked off with a powerful Praise and Worship session. The children were also entertained with a Movie show and the day ended with a Spirit-filled Flow night where the children prayed and worshiped wholeheartedly.

A Prayer walk, Bible Teachings on the things God hates, A Power Point presentation by the children, Arts and Crafts and a Karaoke Night- All these sum up all the activities that happened on the second day of the Retreat.

The final day of the Retreat started with a dry fast that lasted till 12pm. After the fast, both children and teachers prayed fervently before breaking the fast.
Bible Study on the theme for the retreat also continued on the final day. There was also a Bible Quiz, Fruit competition, Memory verse recitations and a Variety/ Awards night.

The 2024 Anniversary Retreat concluded with an amazing Anniversary Sunday. All Glory goes to God for a Successful and life changing Retreat.

"My children really enjoyed the camp and they thought it was life changing. My son really loves the art and craft event.
They also had too much to eat 😄, kudos to the Sunday school.
I as a parent like the teaching of taking responsibility to the children by telling each child to take care of an egg. My son cried his eyes out when he broke his.
More grace and strength to the Sunday school team, thank you all so much"– Dr Mrs Ayodele

BIBLE STUDY KEY NOTES FROM THE RETREAT

- God hates 7 things according to proverbs 6 and as Christians, we should pray for the grace to not be lost in any of these 7 things.
- Our feet can lead us into evil. We should be careful with where we take our feets to, what we use our mouths to say and what we use our hands for.
- Our Sin can affect people around us who are innocent. (Just like David in the bible).
- A false witness is also a Liar. False witnesses cause dispute among others and it is a punishable sin.
- Killing somene does not necessarily mean taking the person's life. We can kill with our words. The tongue is a powerful weapon and we must guard it at all times.
- Our hearts and our thoughts shape us. Wicked thoughts breed wicked actions. Positive thoughts breed positive actions.
- Just like the popular saying– Pride goes before a fall, Humility is what the lord likes and Humility will always prevail over pride.
